## Dear Valued Business Partners,

Looking back at 2013 we can be nothing but excited for what the future holds. We experienced yet another year of growth and this can be attributed not only to great partners like you but to the hard work and continued efforts of our valued employees.

The introduction of our Elite Series bases proved to be another brilliant move as we saw a significant boost in revenue for items like our Comfort Park Avenue bench and our Park Place table. With a new upscale look and unmatched durability, our Elite Series products are already solidifying that there is not a better product on the market.

2014 will be full of exciting new products as well as capacity additions that will further elevate Jayhawk Plastics and the Frog Furnishings brand to the most trusted and recognized name in recycled plastic site furnishings.

We pledge to continue to manufacture the highest quality recycled plastic products in the world while providing world class customer service to each and every customer.

Thank you for your continued loyalty and business. We couldn't be where we are today without you!

Best Regards,

Nick J. Paradise

# Landfill to Landscape

IT'S VERY SIMPLE MATH

**ONE = ZERO**

21 MILK JUGS = **ONE** POUND OF RECYCLED PLASTIC

3,400 MILK JUGS = **ONE** SIX FOOT PARK BENCH

6,300 MILK JUGS = **ONE** SIX FOOT PICNIC TABLE

**ONE** CONSCIENTIOUS PERSON = A STEP TOWARD **ZERO** FOOTPRINT

**PLEASE BE THE ONE!**

Our products made from  
sustainable & recycled  
materials

# Why is Jayhawk Plastics Leaping the Competition?

## INDUSTRY LEADING QUALITY :

Our state of the art manufacturing processes, careful attention to detail and unique engineering expertise are the reasons why there isn't a better material in the world.

## COMPETITIVE PRICING :

Jayhawk continues to lead the market in highest margins available to its distributors with pricing the competition cannot beat.

4

## FASTEST LEAD TIME :

Our products ship in 5-10 days and often times faster. Our competitors continue to ship in 3-6 weeks because they often experience issues with backorders and inadequate inventory levels. Jayhawk turns your orders into dollars, FAST!

## BRAND DISTRIBUTION :

Jayhawk Plastics sells all products exclusively through distribution. We promote, advertise and actively market our products through partnership participation. Distributors are our lifeline to the end user and we stand behind them 365 days a year. Jayhawk only sells through authorized Distributors.

## EXCEPTIONAL SERVICE :

Since 1973 Jayhawk has provided world class customer service and sales support which continues to create loyal and long term distributor relationships.

## GREEN INITIATIVE :

All of our Recycled Plastic contains 100% Recycled Material and we can prove it.

Our products made from  
sustainable & recycled  
materials

# Why Frog Furnishings?

Jayhawk Plastics Inc. established the Frog Furnishings brand to highlight one of the many product lines they manufacture today. This line is made up of recycled plastic Outdoor Site Furnishings and suggests a commitment to environmental integrity through the manufacturing of benches, tables, receptacles, message centers, Adirondack furniture and many other items. We believe our Frog represents our mission to provide quality, eco-durable products that are good for the environment. Our brand opens the door for some unique marketing opportunities with an ultimate goal of growing your sales by creating a demand in the market for the Frog Furnishings brand. We hope that consumers will associate quality, value, REAL eco-friendliness and quick lead times with our unique brand.

5

## Benefits of Jayhawk's Recycled Plastic

1. **Environmentally Friendly :** Jayhawk's Frog Furnishings are good for the environment. Recycled plastic saves trees and reduces landfill usage. Many forms of post customer waste, such as plastic milk jugs, are the main ingredients in our eco-durable, long lasting Recycled Plastic Material. Our Frog symbolizes our efforts to reduce the destruction for our precious forests.
2. **Maintenance - Free :** Jayhawk's Recycled Plastic Material does not need to be sealed, painted or stained and cannot rot. Our proprietary coloring process seals in color and is uniform throughout the material with the introduction of our unique UV Protection Phase and ensures the beauty of the plastic well beyond wood, metal or expanded steel. Our Frog Furnishings are designed to be placed in service and left alone.  
  
Maintenance departments love the ease of Recycled plastics!
3. **Vandal Resistant :** Paint will not bond to the surface and can be easily removed with sand paper or automotive paint thinner.
4. **The Future :** Recycled Plastic Products are becoming the way of the future. Today's demand for Recycled Plastic Site Furnishings is on the rise while furnishings made of traditional materials like wood, metal and expanded steel are on the decline. Adding Frog Furnishings to your park, business or project lets your community know you are taking steps to help preserve our earth's resources.

# BENCHES

6

## Heritage

Made with nine 2" x 4" Resinwood slats and powder-coated, heavy duty cast aluminum frames. The under structure is heavily braced with length and width supports. Powder coated cast aluminum frames available in standard colors of black and green. Custom colors available for quantity orders. Heavy duty, zinc coated hardware standard. Bench frame includes hole for surface mount. Surface wedge anchor included for surface mounting.

4 ft.	2 bases	100 lbs.	PB 4	HER
5 ft.	2 bases	120 lbs.	PB 5	HER
6 ft.	2 bases	140 lbs.	PB 6	HER
8 ft.	2 bases	190 lbs.	PB 8	HER

**Insert color code in product number.**

# MESSAGE CENTER

22

## Message Center

Surface Post Mount

Our Message Centers are the industry standard. Don't be fooled by low quality, light weight imitations. Made with various sized Resinwood slats, shatter resistant clear plastic sheet, top quality marine-grade cork, and specially coated locking mechanisms. Posts are made from solid 4" x 4" Resinwood boards. Designed to be weather resistant. Custom colors available for quantity orders. Surface post mount available for additional cost.

Our products made from sustainable & recycled materials

# Mounting Options

Many of Jayhawk's site furnishings are sturdy enough to be placed in service without using an in-ground or surface mount. However, all of our products are designed with easy mounting in mind.

## 1. In-Ground J-Bolt (PB 1999) J-bolt

Jayhawk's in-ground mounting kit is simple and effective. Simply attach our solid steel J-Bolts to the bottom of the recycled plastic base, and set the base in concrete, quickcrete or dirt. The J-Bolt's shape makes it impossible to pull out, and the below ground mount is guaranteed to last.

**There are 4 in each box.**

## 2. Surface L-Bracket (PB 1008) L-bracket

Jayhawk's surface mounting kits utilize a unique Poly-L bracket, which is pound for pound as strong as steel. Our Poly-L brackets are recommended for all products with recycled plastic bases. Standard lag screws, Tap-Cons, or rebar can be used to secure the Poly-L bracket to any surface.

**There are 2 in each box.**

## 3. Surface U-Bracket (PB 1998) U-bracket

Our standard U-Brackets are recommended for surface mounting our galvanized frame picnic tables and other items with irregular shaped bases. The galvanized U-Bracket will not rust, and is made to last.

**There are 2 in each box.**

## 4. In-Ground T-Mount (PB 1997) T-mount

Our round trash receptacles can be mounted into the ground with our recycled plastic T-Mount. This heavy duty and maintenance free option allows for the receptacle to sit slightly above the ground.

## 5. Surface Wedge Anchor Surface Wedge Anchor

The 3/8" concrete wedge anchor is used to secure metal frames to concrete surfaces. This type of mount kit is excellent for deterring theft or movement of products.

## 6. Surface Elite Bolt (PB 1008JAY) Surface Elite Bolt

The Elite Bolt surface mount kit allows any product made with the Elite Series base to be secured to a concrete surface. A concrete drill bit is included as well as a drill bit for the plastic base and all necessary hardware for securing the base to the surface.

## 7. Surface Post Mount (PB 1995) Surface Post Mount

The Surface Post mount can be used to secure any 4x4 post to a hard surface, such as concrete. The heavy duty black steel mount can be bolted to the surface and the 4x4 post can be secured by screwing through the holes in the mount into the recycled plastic post.

## 36 Lumber

Jayhawk's Recycled Plastic is made from the highest quality recycled material on the market and serves as the backbone for the products in this catalog. Our material is unique in that it is 100% recycled and contains no fillers like saw-dust, which are used to cut costs. Our material is solid all the way through and contains no holes or voids through the center like many of the cheap imitations on the market.

Our product outlasts the competition by far due to the careful attention paid to the cleaning of the material. We are the only manufacturer in the world who takes the product through a 3 part cleaning process in order to maximize the integrity and durability of the product we create.

Additionally, our UV Stabilization Phase protects the color and structure of our product, ensuring the plastic lumber will be maintenance-free for years to come. Custom colors, sizes and lengths available for quantity orders.

Nominal Size	Actual Size	Lbs. / Ft.	Standard Length

# CUSTOM - MADE

## CUSTOM SIZES

Being the manufacturer of all our products, Jayhawk is in the unique position to create custom sizes for many of our products. Extra long benches are often requested for playing fields. Custom length tables are perfect for large shelters. Let us know if you have a special request and we'll do our best to service you.

## CUSTOM COLORS

Jayhawk is able to offer color matching if requested by a customer. This is a great chance for businesses looking to carry branding through their establishment to offer our products in the colors they use. Schools and universities can put on a display of school pride with our vast color selection and custom color options. Quantity orders are generally expected for custom color requests.

## CUSTOM ENGRAVING

Custom engraving provides the perfect chance for customers to relay any message they want. This is ideal for memorial and donor bench programs and is very popular with schools and universities. Any logo or artwork saved as a digital file in a vectorized format can be engraved into our plastic. Engraving may add 1-3 weeks to shipping times.

## CUSTOM DESIGN

Have a specific design in mind? Work with one of our sales team members to get your idea into a CAD program and see it come to life. Or let one of our designers give you a few unique designs to choose from. Once a design is chosen and finalized, production can begin immediately. Usually, lead times for custom designs are 6 -10 weeks. Custom designs are generally only entertained for unique, large scale projects. They can be the perfect way for schools and businesses to make a strong statement about their identity.

# Testimonials

## SATISFIED DISTRIBUTOR

"I am extremely pleased with your products and so are my clients. They are extremely durable, yet stylish at the same time. Working with Jayhawk is always a great experience. Your sales and customer service staff are great!"

38

--Jamee, Jayhawk Distributor

## DESERT PROOF

"I purchased several benches and tables for a break area for my employees. We were replacing other plastic and wooden furniture that faded and broke down in the Las Vegas sun. The benches and picnic tables look great years later. They clean easily and have stood up to the elements in the Nevada desert."

-- Captain USAF, Nellis AFB, Las Vegas, NV

## LET IT SNOW

"After months of snow piling up on our outdoor break table, we uncovered a perfectly level and unscathed picnic table. I can't believe the table was able to withstand a load of snow that measured 70" high."

--Dennis, Minnesota

## THE GIFT THAT KEEPS GIVING

"I bought this bench as a gift for my kid's school and had a plaque made for it and it looked awesome. The bench design is attractive and it's comfortable, easy to clean, simple to put together, weather proof and well constructed."

--Linda, Westwood, MA

Our products made from sustainable & recycled materials

# Information

## DISTRIBUTION POLICIES

**Pricing :** Jayhawk has suggested retail prices for all of its products, except decking and docks, which will be bid on an individual basis. Shipping is not included in the retail price.

**Shipping :** Jayhawk is centrally located in the United States for economical shipping. Standard products will ship in 10 business days or less. Most product orders will be shipped LTL (less-than-truck load), f.o.b. Olathe, Kansas 66062. Jayhawk is happy to drop ship directly to end customers and will use distributor labels if supplied.

**Ordering :** To place an order by phone, please call 913-764-8181 and ask for outdoor products sales. To place an order by fax, send your PO to 913-782-3103. To place an order by email, send your order to PO@Jayhawk.com. All orders need the following information to be placed: quantities, name of product or part number, color, ship to and billing address, a contact name and a phone number.

**Payment :** Jayhawk accepts all major credit cards. For open account, our standard credit application needs to be filled out and approved. (Approximately 7-14 days for approval.)

**Sales and Marketing Support :** Our goal at Jayhawk is to be the “easy button” in helping our customers build their business. We have a team in place to make sure you have everything you need to get you up and running and growing. We have high resolution graphics of each product and will provide those images to our distributors for their use. These images may be used on a distributor’s website or in literature, however, Jayhawk expressly prohibits its images from being used to sell any product but our own. Jayhawk does actively support the use of our products for trade shows, displays or show rooms. Special pricing for promotional products will be at the discretion of Jayhawk. We will forward any and all leads to loyal distributors who actively sell our products exclusively. In addition, Jayhawk will work with our distributors to generate new leads in their respective territories. We stand behind our loyal distributors.

**GSA Pricing :** Please inquire about details on our GSA pricing if interested.

## POLICIES

**GSA** U. S. General Services Administration

### Jayhawk Product Warranty

Jayhawk Plastics, Inc. guarantees all materials and workmanship for three (3) years on any product made completely from our 100% Recycled Plastic. Jayhawk guarantees all materials and workmanship for (1) year on any product made of steel, aluminum or a combination of metal and plastic. The guarantee excludes vandalism, improper use, corrosion caused by chemicals and acts of God. Any claim under this warranty must be filed within the warranty timeframe of original invoice date and must be accompanied by the original invoice or invoice number.

Information on Jayhawk’s Return and Inspection Policies can be found on our website.
